## *Downey Boasts New Station*

This is the first high station in California owned and operated by students. It is on the air after two years of preparation. Plans were started in January of 1967 by about a dozen interested students.

That started the long process of completing government forms necessary for the granting of a construction permit.

This was followed by the acquisition and installation of studio equipment. KDHS is on the air with \$5,000 worth of equipment for less than \$2,000 because of donations and reduced prices.

Above: Ron Underwood, station advisor, discusses the station with Cris Parker. Left: Sports Editor, Frank Marksman, prepares current sports scores.

Tim Hubbard, Bryan Manley, and Alan Harms discuss the advantages of joining S.N.A.P. with Larry Keeton, Liz Angelo, and Charles Mullens.

## *Frosh Day Downey Welcomes 735*

Frosh Day is filled with lockers that won't open and rooms that can't be found. This year's extravaganza was called "Thoroughly Modern Frosh Day". The theme was carried out by members of the Student Council Paul Lambert, Don Mitchell, Sharon Fuller, Liz Angelo, Chris Larimer, Alan Harms, and administrators Mr. Olsen, Mrs. Russell, Mr. Johnson, and Mr. Hoek.

Members of S.N.A.P. accompanied bewildered Freshmen around the school introducing them to such added novelties as relocatables. Set up in the main hall advertising their activities were members of the campus clubs and organizations.

Frightened Freshmen lose their way in the forty wing.

# *Food Service Under Expanded Program*

Marking the third year of operation Club "33" offers its savory menu selections to the lunchtime gourmet.

Mr. Weiss, instructor of the Food Service classes responsible for the Club's success, described part of the extended program for this year.

Under a federally funded project, Club "33" received a "new ice maker, soft drink machine, a refrigerated dessert display case, a floor model mixer and a meat slicer". Food Service classes also are able to serve banquets as large as 200.

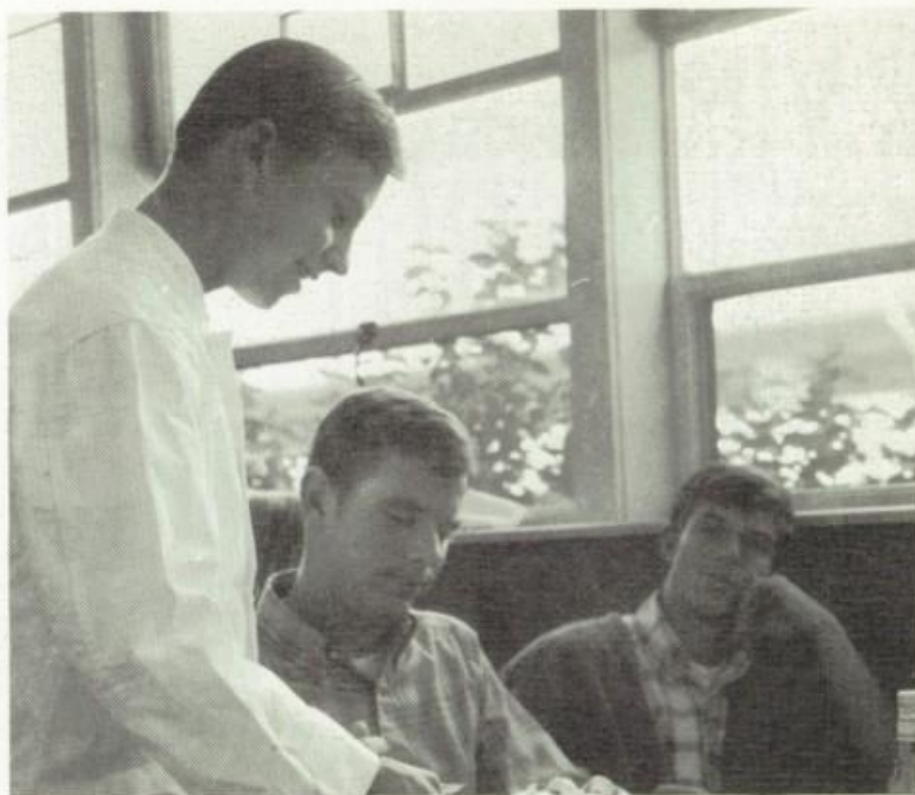

In addition to the wide variety of luncheon served items, Club "33" features more frozen entrees and more Mexican and Italian food. During the warmer months more salads are featured and more soups during the winter.

Besides regular menu items, Mr. Weiss said that there are special foods "offered at the end of the week and specials offered daily that are not included on the menus."

Presently Club "33" serves only fourth and fifth period lunches. This excludes freshmen lunch sixth and seventh periods. Mr. Weiss pointed out though that "as it stands now we may be able to serve sixth, but never seventh."

However, he explained that through teachers' cooperation, any freshman having a fourth or fifth period study hall may receive a check out to have a lunch during either of the periods served.

Food Service students also are involved in the work experience program. Under this some advanced students work in restaurants and other similar establishments.

Joe Silvey serves hungry students.

Pam Sesma is another food service waitress.

Patty Davis learns to be a cashier.

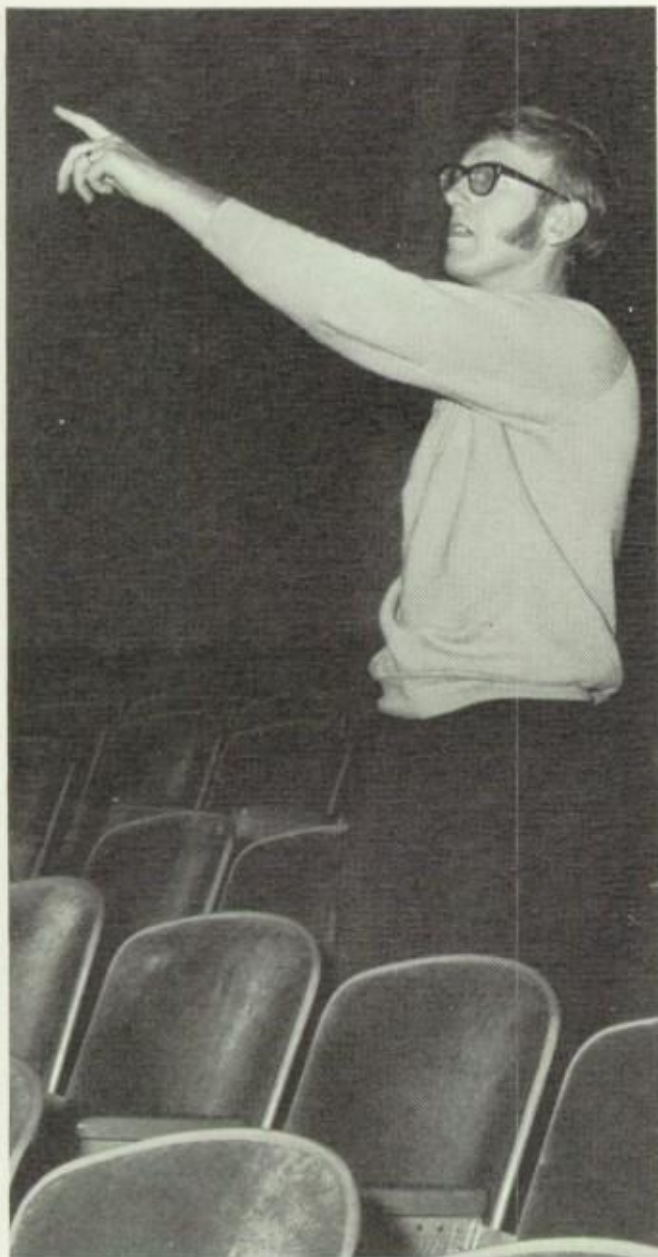

*Greydon Milam*

## *A Gentleman's Gentleman . . .*

A happy man, a smiling, laughing man. His students watched him change into any character he pleased. He was a boisterous Brooklynite; he was a Parisian lover; he was a hillbilly honey. He could inspire even small people to aspire great heights.

## *"Barefoot in the Park"*

"Barefoot in the Park" is a delightful comedy about a newlywed couple, the bride's mother, and a flamboyant connoisseur of both wine and women. The play, full of old cliches that everyone knows, was presented April 30, May 1 and 2, in the Downey auditorium. It was directed by Mrs. Elayne Culp.

Connie Jackson and Phil Grotts proved to be amusing main characters that added dash to the play.

The supporting cast and directors aided the professionalism of the production. As the Shield went to press, the play was in rehearsal.

## *Musical Gala Traces Six Years of Magic*

The annual vocal music department's stage production was a musicale Gala, a recapping of the past six musical comedies.

The musical extravaganza included selections from "Flower Drum Song" and "Finian's Rainbow" by Concert Choir, "Bye, Bye Birdie" by the Knightengales, "Camelot" by Men's Glee, "Brigadoon" by Treble Clef, and the "Sound of Music" by Girl's Glee.

The premiere performance of a new arrangement of the school hymn written by Lloyd Elliot, Downey orchestra conductor, and sung by a combined 300 voices, made an unforgettable grand finale.

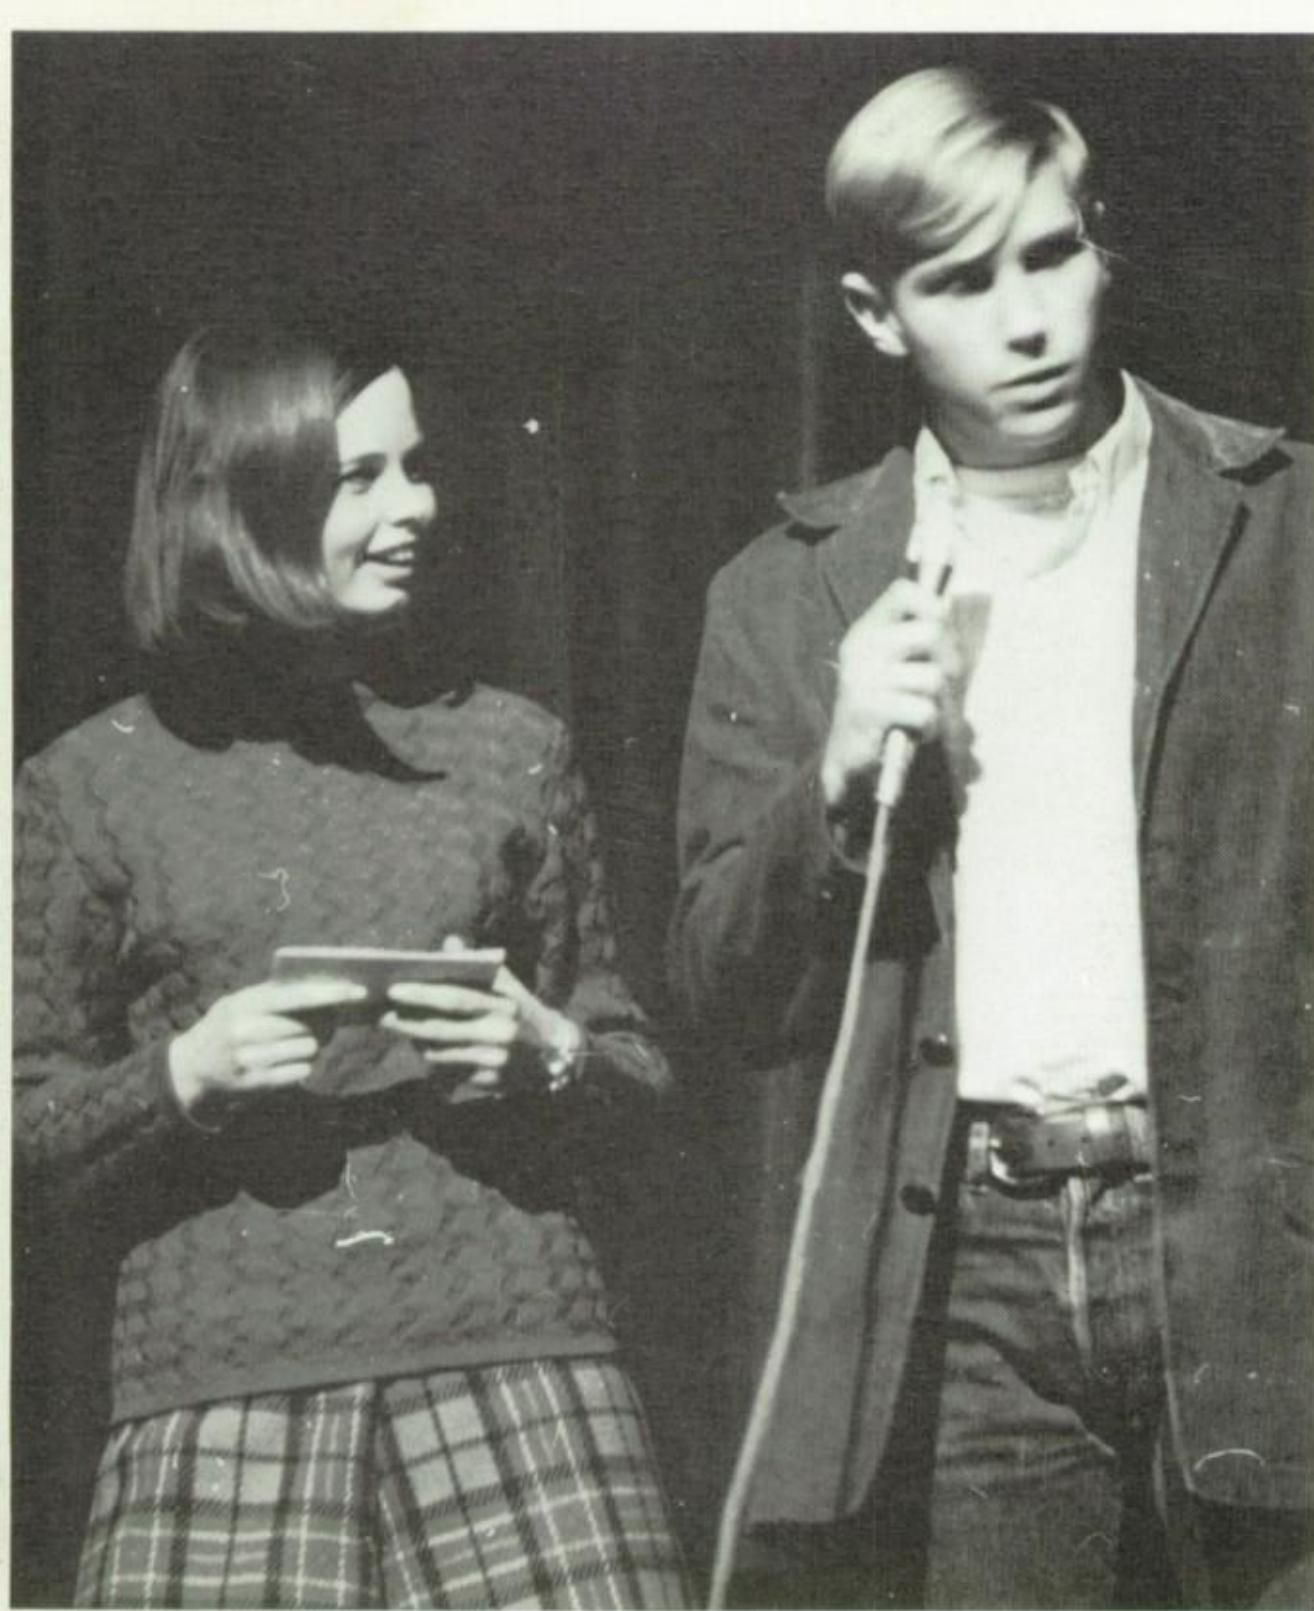

The Musical Gala magnificently upheld the tradition of unforgettable musical productions.

Behind every successful team there is a dedicated group of rally girls. This year, Rally coordinated their activities to include both money-making projects and spirit activities. Spirit was high, with the peak, Downey's victory over Modesto in both football and basketball.

Rally sponsored many bake sales during the year to pay for root-beer that was given the Knights after every victory. Rally also held a rummage sale at the end of the year to send the yell and song leaders to camp.

Key Club is one of Downey's finest service organizations. Key Club provides a young man with experience in living and working together. It gives the individual Key Clubber a practical means to form better relationships with his fellow man, to build a better community, and to experience joy in serving mankind. Some of the Key Club's traditional projects are the Christmas Food Drive, Careers Day, and Teacher Appreciation Day. Key Club also helps the Modesto Police Department in various safety projects. # Victory Highlights 1969

The 1968 football season ended with a triumphant 47-13 victory over the Davis Spartans which climaxed one of the most successful football seasons at TDHS. The biggest rally of the year, the Queen's Rally saw Marlinda Moore crowned queen. First and second attendants, were Judy Thompson and Joanne Jackson.

Immediately following the rally, throngs from all three of Modesto's high schools crowded the downtown streets for the annual tri-high school parade. French Club and the Queen's float took top prizes.

Homecoming was not yet over. The following week the victory flag was flown proudly in front of the school. The Queens Dance, the final homecoming activity, honored the Downey Royalty and above all the Knights, who placed second in the CCC. All of these events contributed to an unforgettable year for the class of '69.

## ***Knights Have Big Season Completing Year 1 - 2 in CCC***

Supreme effort made this year's varsity a champion ball club. The Knights had the power to run over the opposition, and the speed and passing to go around them. For a team that was not predicted to be a winner, Downey outplayed and outhit every team in the league.

The defense was superb. Lineman Frank Marksman, Tom Kuffel, Larry Keeton, and Jim Tye were tough and aggressive and linebackers Gyal Starr, Mark Hoover, Jeff Main, and Jim Ivy used strength and agility to continually tackle opposing backs. Pass defenders Dan Farris, Rick Deckard, and Thom Grote

were the best in the league.

Back of the Year Dan Farris and all-leaguers Steve McPherson, Gyal Starr, and Rick Deckard lead the potent Knight offense to over 2600 yards. It was a balanced attack, with the best line and backfield in recent Downey years leading the Knights to the top.

This years team was the toughest, hardest-hitting team in the CCC. Despite our one unfortunate league loss, they played hard-nosed and consistent football to make this year a happy one.

# ***Knights Rated First in CCC***

As the Shield went to press, the Knights were in second place in the CCC with a 2-1 record and a 6-1 record overall, but were expected to come through in the end to take the conference title.

The Knights' only loss thus far was at the hands of the Stagg Delta Kings. Turlock, expected to be one of the toughest opponents for the Knights, have already been knocked off. The Knights have also beaten Oakdale, Atwater twice, Manteca and Modesto.

Actual practice was delayed by the rain for three weeks after the official start of the season. This allowed conditioning but batting practice didn't start until the week before the first game.

Top players for the Knights this year are Steve Percell, Mark Andrews, Jeff Main, Jerry Bubeck, Jim Hancock, Joe Inglema, Frank Oliveira, Rick Deckard and Paul Lambert.

Pitcher Steve Percell toils against a Modesto batter.

The Knights' Herald exchanges newspapers with over fifty newspapers throughout the U.S. One of the more popular papers is the South Eugene (Oregon) High School Axe, which is published every two weeks and contains ten to sixteen pages. Corinne Jackson, Joanne Peterson and Sharon Fuller gain new ideas reading this publication in JIII.

Gathered in the front office for a rare moment of relaxation are the secretaries of Thomas Downey High School. Pictured here are: Mrs. Hardie, Mrs. Roton, Mrs. Bettencourt, Mrs.

Goodban, Mrs. Ott, Miss Peterposten, Mrs. Thomas, Mrs. Watson, Mrs. Cochran, Mrs. Morgan, Mrs. Hudson.

## *Secretaries*

# *Keeping the School Running Behind the Scenes Daily*

Secretaries are a very important aspect of school life at Downey. The 1969 Shield, for instance, depended on Mrs. Morgan and Miss Peterposten daily for aid in meeting and publishing deadlines.

Mrs. Goodban and Mrs. Watson, who are responsible for issuing all those AWOL's, also help find students for pictures. Mrs. Bettencourt, Mrs. Ott and Mrs. Thomas have all the information on scholarship and class schedules.

Mrs. Cochran of course, is in the Student Body Office and Mrs. Roton and Mrs. Hardie are in the library and bookroom. Also an integral part of the secretarial staff is Mrs. Hudson, secretary to Mr. Caton.

Ladies of the cafeteria responsible for serving of the wonderful cuisine four lunch periods a day from left to right are: Manager, Marie Hayes, Martha Ridgeway, Catherine Just, Myrtle Cardwell, Ester Junker, Edith Dennis, Freida Weisser.

BACK ROW: Geliene Lucas, Nevada Epperson, Opal Breshers, Elizabeth French, Billy Jo Knott, Nina Brower, and Freida Denlinger.

### *Cafeteria*

## *Providing Classic Cuisine Four Lunch Periods a Day*

The subtle "Doctor" Proctor views student reaction to one of his mellifluous magic tricks.

Mrs. Bastein, Mrs. Campbell, and Mrs. Morgan share a bit of humor during their extended ten period schedules.

## *Administration 1969*

Charles Mullen, Bryan Manely, Gloria Robinson, and Tom McDonnell talk over finals during mid term.

Mr. Laukkanen talks over with Mr. Weiss the quality of Club 33's equipment.

Mrs. Asell checks over the efforts of her home economics students.
